

# RUGBY & FOOTBALL SOCKS

We normally do our rugby and football socks with additional Siltex yarn. This has antibacterial and anti-mould attributes. The addition of silver ions means the socks work as a deodorant which prevents unpleasant odour during usage, maintains the biological balance of the skin, and provides maximum hygiene even after multiple washing.

The modern construction of the yarn together with special ventilation zones allows for maximum breathability and the quick transport of moisture away from the skin. This means the foot is always dry and comfortable.

Below we show just some ideas for designs. Custom socks can be made in any colour and design subject to a minimum order quantity of 50 pieces per size. This is definitely one of the best socks available on the market and priced at just **€6.00 per pair inclusive of VAT (€4.90 for kids' sizes)**.

# BASKETBALL SOCKS

We offer two options for our Basketball Socks.

**1. Knitted socks:** We usually make these in cotton. **The price is €5.00 including VAT for adult sizes and €4.00 for kids.** The minimum order quantity is 20 pieces in one design, colour and size.

**2. The alternative is sublimated socks:** These are made in polyamide, or just the upper part can be in polyamide, as this is needed for sublimation. The sublimation can only be done on light colours and for these we need a good quality logo in pdf format and in correct colours as these cannot be changed. **The price for these €5.50 including VAT for adults and €4.50 for kids.** The minimum order quantity is 10 pieces.

# MIDI SOCKS

These mid-length socks are ideal for many sports but were first introduced for gaelic sports. Our quality is second to none but with prices that are very competitive. Subject to a minimum quantity of 50 socks our price is €5.00 inclusive of VAT for adults and €4.10 for kids.
